

# MUTTVILLE<sup>®</sup>

senior dog rescue

**Imagine your beloved dog suddenly faced with life without you and with nowhere to go.**

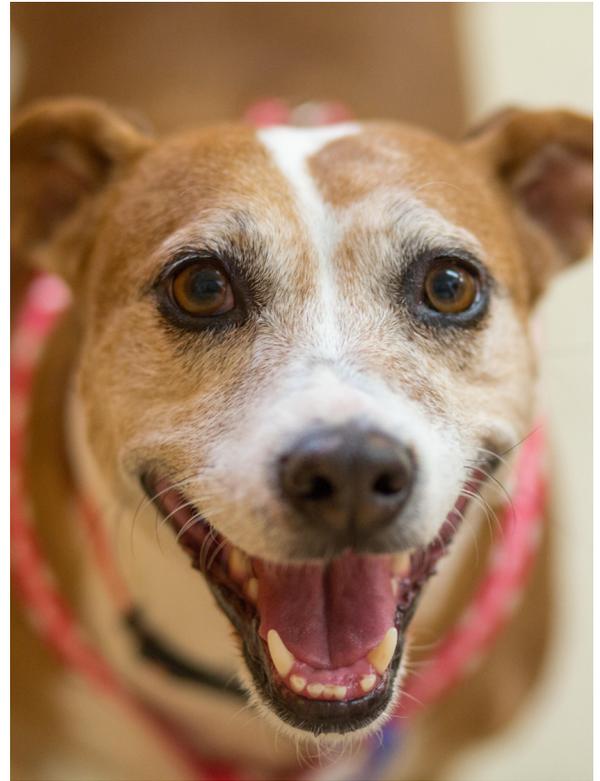

Are they over seven years old? In many shelters around the country, that means they would be considered “unadoptable” and automatically euthanized. In others, they would sit in a loud, cold kennel, frightened and bewildered, while people walk by on their way to the puppies.

**Animal shelters nationwide overflow with millions of homeless dogs.** Some get adopted. Many do not. And by far, the most likely to be left behind are seniors 7 years and older.

**Muttville was created to rescue wonderful senior dogs and find them new homes.** Some have lived a life with love. Some have been neglected and abused. But all, when they come to Muttville, get a second chance.

**Muttville rescues dogs from all over California and beyond.** At Muttville, they get medical care, grooming, and life in a loving foster home while they wait for the perfect adopter.

**Unadoptable? No!** The proof is in the numbers: from its founding in 2007 through the end of 2016, Muttville has rescued over 4200 senior dogs. Some were overlooked in shelters for months, only to be adopted within hours at Muttville!

## The Muttville Journey

Muttville dogs come from shelters as well as from families facing hardships who can no longer care for them. The dogs get the care they need and then go to foster – unless they’re snatched up for adoption first!

*Happily ever after!*
