HOSPICE CARE ASSISTANCE

Muttville will reimburse hospice adopters for palliative veterinary care, up to \$1500 per hospice dog per calendar year.

Hospice adopters should email a copy of all medical invoices to accountspayable@muttville.org for reimbursement.

Reimbursable medical treatments:

- Veterinary exams
- Pain medications
- Prescription diets
- Vaccinations
- Labwork (includes bloodwork, urinalysis, and bacterial cultures)
- Flea/tick/heartworm prevention
- Medications for chronic conditions
- Subcutaneous fluids
- X-rays related to diagnostic condition
- Antibiotics
- Acupuncture, physical therapy, cold laser treatments
- Euthanasia services and cremation (private or communal)

Items NOT eligible for reimbursement:

- Surgery or anything requiring anesthesia
- Advanced diagnostics (i.e. ultrasounds, CT scans, MRI, biopsy/aspirates of masses)
- Hospitalization
- CPR
- Radiation, chemotherapy, blood transfusions
- Food (except for prescription diets)
- Pee pads
- Boarding services at Muttville or elsewhere
- Grooming services
- House cleaning services

Hospice adopters may choose to pursue additional medical treatments like those listed above at their own cost.

Emergency Care:

Adopters are responsible for all emergency care and will be reimbursed for covered treatments as listed above, subject to available hospice funds for the calendar year.
